- A journey through time -

*"leave the grapes at the sun for 10 days
and then another 5 days in the shade.
Then make them wine and drink it....."*

ISIODOS

(Ancient Greek poet)680 B.C

It is our great pleasure in presenting to you
our new champagne and wine list.

Our journey through time begins by introducing to you
the Greek vineyard and its indigenous grape varieties with
some of them dating back to the 4th century B.C

You will have the chance to try the best
Greek grape varieties like Moscofilero, Malagouzia,
Roditis, Agiorgitiko, Assyrtiko, Muscat.

From the famous wineries at the North region of Greece
close to the cities of Drama, Kavala, Naousa, then to
the mainland and Peloponnese like Tyrnavos, Atalanti,
Nemea, Mantinia and finally to the Greek islands.

Our journey continuous with some of the most prestigious
wines from Europe (France, Italy, Spain) and ends
with the New World wines from (N. Zealand, Chile).

From France and the famous Loire & Burgundy regions
to the fresh characteristic wines from the valleys
of N. Zealand and the unique Tuscany region in Italy
to finish with the notorious Napa Valley USA.

Since our cellar is getting constantly updated, please
do not hesitate to consult us for any kind of recommendation
regarding your food & wine pairing in order to enjoy in the best
